"When I'm not performing or posing for the camera, I love spending time with my family in Anaheim."

Erika Medina was born in Hawaiian Gardens, California on the 1st January in 1985. Her life long dream was to become a model and actress. Since the age of 4, she would snag her mother's magazines to look at the models in them and would also imitate the characters she would see on TV. Her modeling career started in 2006 when a friend dared Erika to make her dreams come true by sending out some photos of herself to magazines. Half-jokingly, Erika took the dare, submitting a handful of snapshots taken in her home to FHM magazine, one of the leading men's magazines. Three months later, Erika made her modeling debut in FHM's July 2006 issue.

A true overnight success, Erika knew an amazing opportunity had presented itself. She quit her day job and found herself a manager. Since then, modeling and acting have been Erika's full time pursuits, and her dedication has been matched only by her rapidly expanding list of accomplishments. This includes magazine spreads with FHM, Maxim Espanol and many others. Her acting resume includes several appearances on television productions such as, Hannah Montana on Disney Channel, How I Met Your Mother on CBS, iCarly on Nickelodeon, 90210 on The CW and music videos with Pitbull, Chris Brown, Justin Timberlake, and Kanye West along with many other recording artist. Her smoldering good looks also landed her a spokes modeling contract with Monster Energy Drink.

When she isn't performing or posing for the camera, Erika loves spending time with her family in Anaheim. She also enjoys regular acting classes, going out to movies, cosmic bowling and dancing with her friends. With only a few years of experience under her 24" belt, Erika has become one of the most sought after new actress/models in the industry. She is consistently praised for her stunning, exotic-yet-commercial appearance, and also for her down-to-earth personality and charming charisma.

Hello SHOW Fans! My name is Elizabeth Christine. I'm 22 years old, born and raised in the beautiful city of Miami, FL. My nationality is collaboration between Cuba, Spain and the Canary Islands. I stand at 5'4" and my measurements are 34C-25-36. As a Leo woman, I'm a very strong, confident, vibrant, and charismatic individual. I've been very passionate about modeling since the young age of 5. As a child I did everything from commercials, fashion catalogues, and runway shows and was always told I had a natural ability of talent. After concentrating on my studies and graduating, I began to pursue modeling again, the camera was something I never stopped loving. The flashing lights, the glamour, just make me feel sexy. In the past year, my modeling career has continuously progressed and I'm so happy I'm following my true passion.

I enjoy the glamorous part of modeling so much, but I'm actually very simple and down-to-earth. I'm a guy's girl, love the gym and sports, especially football & basketball, exotic cars, taking the boat out on a sunny day and watching good movies. Traveling is also a big hobby of mine. Visiting new places, beaches, restaurants, nightclubs, and meeting new interesting people and learning about their culture is always fun. Being Latina, I'm definitely a fan of yummy cuisine and cooking up a storm in the kitchen. I'm a little lady, but "BIG" things do come in small packages, hehe.

My experience shooting with SHOW was so wonderful and amazing! I really enjoyed myself and every minute of it. Everyone was so professional and the glam squad was very impressive and on point, they truly made me look and feel so beautiful and sexy. Thanks to the impeccable skills of Diana, Gabby, and Al. Once I got on set, I realized I was very lucky to be shooting with Nick; he's incredibly talented at what he does. I want to give a special thank you to the man responsible for this amazing production, Sean Cummings, for blessing me with this opportunity to become a SHOW Girl. Can't wait to be back and do it all over again! Much appreciation goes out to Arthur Donaldson from Arabelle Modeling, LLC.

First off I would like to thank the people who help me get to this moment of shoot for one of best magazines out on the planet. My agent Arthur of Arabelle Modeling, LLC, thank you very much for setting this up. I want to thank the publisher Sean Cummings for giving me this opportunity to grace the magazine.

I'm from Miami, FL, I'm 5'4 125lbs 34C-28-39, I've appeared in a couple of things on TV such as: Fox Sports En Espanol Miss Estados Unidos 2009, Univision, "Sabado Gigante" Miss Colita Contestant (Dancer), Telemundo, "Descontrol" Dancer, MTV TR3S Rock Dinner Main Talent, Venevision, "Que Dice La Gente" Talent, Fox Sports Net Strike Zone Mermaid Episode Telemundo, "El Show Del Fernando" Performer/Guest as a FL Marlins Cheerleader Univision, "Caliente" TV Show Featured Dancer, Fox Sports Net, "The Best Damn Sports Show" Guest as a FL Marlins Cheerleader, "Exploradores" TV Show Model/Featured Dancer.

Shooting for SHOW Girlz LATINA almost felt like a walk in the park minus 70% of clothing. The staff was very friendly, professional, and efficient. May I need to mention, Nick Saglimbeni, is like the "Zeus" of all photographers. He is very talented and only made my job, as a model, a lot easier. The other models present on the set were gorgeous and also possessed professional qualities. This next Latina issue is definitely going to be a hit, and I am definitely looking forward to seeing the final product. Thank you to the staff of Show Magazine for making this a great experience for me and I hope to be brought back for future issues. Thanks to my fans for supporting me. Thank you my family for believing in me.

Much Love from Diana V.
XOXO

Carissa Rosario was raised in Boston, but not even a New England winter could keep the ice from melting when this half Puerto Rican, half Greek sashayed down the runway. Carissa started modeling at a young age, landing her first photo shoot at the tender age of ten. She traveled around the US competing in numerous pageants, taking home five titles. In October 2009, Carissa placed 2nd runner up in the Miss Latina USA pageant. The skills she learned from the pageant circuit made her transition to becoming a spokes model a breeze. She represented AMERICAN DREAM for three years.

Her next big break came in Los Angeles hosting the Telemundo show COMO TV, which she parlayed into work with other various Spanish Networks as a host, dancer and model. Carissa is currently a spokes model for Hot Import Nights and is touring across the US this summer. Carissa's other passion besides modeling is music. She is currently in the studio recording. Keep your ears open, she is expecting to release her first single late 2010.

Liana Mendoza started "acting up" before she started her career as an actress. "She was a handful and entertaining to watch" her family members have been quoted to say. I think men would now agree that she is MORE than a few handfuls with a bangin' body like that and DEFINITELY entertaining to watch.

If this exotic looking beauty has a familiar face to you it may be because you have seen her captivating look on screen before in such films as Crank 2, Internet Dating with Katt Williams, G.I. Joe, The Mailman as 'Sister Rosalita' with Tony Cox and Master P, BET's played by Fame and a TV show that has currently gotten her VERY noticed (even TMZ had to ask) because it has created a male frenzy as she plays Trinity on Zane's Sex Chronicles.

"I am very pleased with all of my hard work. I know I am ready for the next level" she explains. That's when I catch the hint that not only was she made for this business with her stunning, playful looks and dedication but the fire in her eyes explains to me why she has been nicknamed "Mendoza the Bulldozer" by her colleagues. "It takes a lot of dedication, training, preparation and tenacity to make it even as far as I've come. My fans make my journey happen...seriously, I love them more than they know."

When asked about music she says "Music is another passion of mine that I take very seriously as well, I started booking myself for local shows as a singer at about 13 without my parent's permission. I guess in a way I knew I'd have to begin as a self-motivated performer. No one will do it for you. People can help, but you're on your own in this business as far as motivation goes."

Liana Mendoza

Mendoza is preparing for the release of her single with the famed Sleepy Brown (Outkast, Dungeon Family) who was recently an honoree at VH1's Hip Hop Awards. "I wish I could have gone to NYC with him for that and to see him rock the stage but I was filming another movie. I'm sure it went amazing. I have learned so much from Sleepy" she explains. "He named my alter-ego 'Roxxy'. This is the side of me I repressed for so long until now. I get to express this side of myself through music thanks to him."

In her immediate future she has a few films she's in that are coming out "Decisions" starring the late Corey Haim. "Reality Fright Night" which should hit this Halloween that Martin Kove, Vincent Rivera and herself star in and "I'm Not Like That No More" starring comedians Felipe Esparza and Paul Rodriguez. This 25-year-old stunner Mendoza, who is of a very mixed ethnicity is mostly Mexican, Spanish and Italian, is now up for bigger and more prominent roles that should be hitting theatres and DVD this year and for many years to follow.

"Remember this...I couldn't even get up in the morning without my fans love on my mind. Their love for my work and what I am doing makes it worth the wait, worth the journey and any struggle." www.imdb.me/lianamendoza

"When I love,
I love deeply

all to that other
person."

Hey SHOW fans! Did you miss me? Let me introduce myself. To those of you who don't me, my name is Cynthia Rodriguez, but most of you know me as SIN. My first appearance with SHOW was Black Lingerie #9, and now im back ;)! I met Sean and the Slickforce crew when I was 19, it's been a whole year now and I grew love for each and every one of them! Gabby does the BEST makeup, Nick takes awesome pictures, Christian makes me feel at home when im at the studio, lol and Sean always puts a smile on my face! A lot has changed within this year. I'm still that small town girl from Victorville CA, but now I live in beautiful Orange County! Living in the city has helped me grow up faster and become more independent.

I'm a very busy girl, but I always make time for my loved ones. On my days off I like to chill at home or drive to my hometown and visit the people who matter the most to me.... my family! At the moment Im very single, but not looking, or rushing to get into any relationship. When I love, I love deeply and give my all to that other person. So if Mr. Right comes around and finds a way to tie me down, lol he is a very fortunate man!

My modeling career has grown so much! I've accomplished things I've never even dreamed of, I have worked with great people, and the great part about this is that I love doing what im doing! Shout outs and much love to all my fans and the people who support me! Thank you guys.
